Attention: Paul Shanoski (Senior Attorney)

Sir:

This is in response to the 25 June 2007 Decision On the Petitions under 37 CFR §§ 1.47 and 1.48.

The Decision states that applicants' petition under 37 CFR 1.48 (to correct the inventorship in the present application by adding David F. Krueger) is dismissed for failure to comply with 37 CFR 1.48(a)(3) (or to file a 37 CFR 1.183 petition requesting waiver of 37 CFR 1.48(a)(3)) and because the declaration that was submitted is defective. Applicants' petition under 37 CFR 1.183 accompanies this petition.

Corrected declarations signed by Messrs. David F. Krueger and Frederick L. Bixler are filed with this petition. The corrected declarations correct the defect noted in the Decision, i.e., the corrected declarations acknowledge the duty to disclose information "material to the patentability of this application."

In view of the present submission of corrected declarations and petition under 37 CFR 1.183, it is submitted that applicants have complied with all of the provisions for grant of the petitions under 37 CFR §§ 1.47, 1.48 and 1.183. Accordingly, grant of these petitions is, respectfully, requested.

If any matter needs further clarification or supplement the Senior Attorney is invited to contact the undersigned via telephone so that the matter can be promptly addressed.

Please charge any necessary petition fee and any additional fees for this petition and correction of the application to the deposit account of Barnes & Thornburg 10-0435 (5723-200255).

Respectfully submitted,

BARNES & THORNBURG LLP
